

Architectural drawing of the front elevation of a house. The drawing shows a two-story structure with a central entrance featuring a pediment and columns. The roof is gabled with three dormer windows. The exterior walls are labeled "SHAKES" and "BRICK". Various window sizes are specified, such as 3/0x4/0, 1/8x5/6, 2/8x5/6, and 8/0x1/0. Dimensions for the overall height and width are provided on the right side. The word "FRONT" is prominently displayed at the bottom.
